

Open House

St. John Fisher School

TK-Grade 8

Sunday, January 28

1-3pm

We are a Catholic school that values diversity and respect for all faiths, and invite families of other faith backgrounds to be part of our primary and middle school.

Here is what St. John Fisher School has to offer your child:

- ▶ **A caring nurturing environment**
- ▶ **A challenging academic program** with STAR Math and Reading testing results above those of the local public schools and in the top 1% of all Archdiocesan schools. We teach **writing skills, grammar, literary analysis, critical thinking** and **problem solving**.
- ▶ **Three math classes** for grades 6-8
- ▶ **Morning Care** starting at 7am and **After School Care** from 3:15-6pm for all grade levels
- ▶ **Science Laboratory & Computer Lab** with new Mac desktop computers, iPads and 3D printer. Technology Program includes coding, robotics, Microsoft, Apple, and Google platforms.
- ▶ **Enrichment activities** including Student Council, Pali Science Camp & Catalina Marine Institute Camp, Choir, Spanish, Student Family Groups, After School Drama Program, **CYO Sports** including co-ed Flag Football,
